

**REMARKS**

This amendment responds to the Office Action dated July 13, 2004. In the Office Action, the examiner indicated that claim 9, which depends from independent claim 7, was patentable. Claim 7 has been amended to include the substance of claim 9. Allowance and approval of claims 7, 8, 10 - 13 is requested.

Applicant filed, and the Patent and Trademark Office received, on May 3, 2004, the following notice of change of inventorship due to the election to prosecute FIGS. 21 and 22:

**NOTICE OF CHANGE OF INVENTORSHIP**

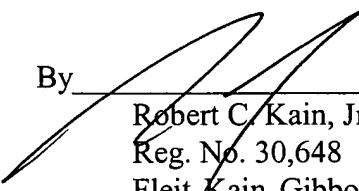

Applicants hereby give notice of change of inventorship based upon their election to prosecute FIGS. 21 and 22.

Please delete David Ruyl Luster and Irwin I. Silberman as inventors. The remaining inventors are Robert J. DiStasio, Stephen G. Bowling, Carl Richard Stanley and William Kurt Feick.

Please confirm that the inventorship has been corrected.

Respectfully submitted,
